**Complete the following questions and attach documents with this application.**

**\*Project description (30 points):** Please give a brief description of the project, the project location, and how many members will be involved in completing the project.

**\*Planned use of funds (30 points):** Itemized how funds are to be spent, when the project will begin and be completed. Please submit a proposed budget. Will the project still be viable with a grant for less than the funds requested from the VFAG?

**\*Impact (30 points):** Describe how this project helps to educate or promote outreach of the fiber arts in the Mat-Su community.

**\*Acknowledgement (10 points):** How will Valley Fiber Arts Guild be acknowledged as a source of funds for the project? Noting the VFAG's funding on newsletter, a website, Facebook, and other public media is appreciated and should be noted in the application. The Valley Fiber Arts Guild would also appreciate a letter upon completion describing how the funds were used and picture(s) of the completed project by May 1, 2019.
