Dear Connie

My name is Gerard. I liked going around feeling different kinds of wool. I did not get to finish my weaving because of time. But thank you for your time and effort. I really enjoyed it.

Sincerely  
Gerard Hall

Dear Connie,

Thank you for coming  
to our class and teaching us  
about spinning, wool + weaving.  
I enjoyed learning how to weave.  
I liked the Navaho spinning wheel.  
I think you're nice.

Sincerely,

Kendal
